

Meet the Principal

Milton J. Fletcher Elementary

Welcome! My name is Amanda Sisco and I am very excited and humbled to be the Principal of Fletcher Elementary. I am looking forward to meeting the staff, the students, and the families. This will be my 15th year with Jamestown Public Schools. Throughout that time I have been a 1st grade teacher at Bush Elementary, a district instructional coach PK-12, and an assistant principal at Persell Middle School. I am passionate about learning and believe that all students can learn at high levels. I am looking forward to becoming a part of the Fletcher Falcon Community!

Information about me:

- I was born and raised in Jamestown, NY.
- I went to JCC, Fredonia, Gannon, and Edinboro.
- I have been married for 18 years and have 2 children, Leigha, age 13, 8th grade and Blake, age 10, 5th grade.
- I enjoy reading, both professionally and personally, as well as kayaking.
