

ART links resources and activities:

(All are optional K-4 projects and activities)

**Kandinsky project:**

Review the video on Kandinsky: <https://youtu.be/qXcAkgPKDxc>

Listen to the video: <https://youtu.be/Gu77Vtja30c>

While listening, create a work of art using any materials.

Think about the following questions:

How does the music make me feel?

What colors do the sounds remind me of?

What lines, shapes, and colors do I think of when I hear the sounds in the music?

**Drawing activities:**

Choose one or more of the drawing activities to complete:

(Think of the elements of art and how you can use them)

**Elements:**

**Line, shape, color, space, form, value, texture**

- 1. Draw what you see in a room in your house.**
- 2. Draw your favorite object or thing.**
- 3. Draw your name in bubble or block letters and fill up with any of the elements.**
- 4. Find a picture of an animal and draw it realistically and like a cartoon.**
- 5. Find a picture of a face, fold it in half, and draw the other half of the face.**
- 6. Draw your favorite character or person as a superhero. Create a comic book about that superhero. You can add a page each day.**
- 7. Draw a circle and shade the circle to look 3-D. Try other shapes as well.**
- 8. Draw as many different lines as you can on a piece of paper. Make some of the lines thick and some thin.**
- 9. Create a design that fills up the paper using only straight lines.**
- 10. Draw an imaginary outer space adventure.**
- 11. Draw an imaginary city.**
- 12. Draw a vehicle of the future.**
