

JAMESTOWN RED RAIDERS

2004-05 FEMALE ATHLETE OF THE YEAR

Julie Lundgren

Julie Lundgren is one of the most accomplished track athletes to come out of JHS and will be attending Cornell in the Fall. She was the NYS winner of the Wendy's High School Heisman Award. She participated in volleyball in the fall, indoor track in the winter, and outdoor track in the spring and owns school records in both the long jump and triple jump for indoor & outdoor track. She qualified for and participated in NYS Championship meets in several events during her years at JHS as well as USA T&F Junior Olympics meets in Omaha, Miami, Baltimore, and Eugene, Oregon. Julie has been a tremendous representative of JHS Athletics and is a great role model for young female athletes as she has excelled not only as an athlete, but also in the classroom and as a volunteer in our community.
