

JAMESTOWN RED RAIDERS

2005-06 MALE ATHLETE OF THE YEAR

Nat Barone

Our male athlete of the year was a 2-sport captain and stand-out player. As the quarterback of the 8-2 football team he was a Post-Journal All-Star and First Team Division I player. And as a starter for our 19-4 state-ranked basketball team, he was a Post-Journal All-Star and All-ECIC member. His name is all over our record books and finished in the Top 25 in JHS History for career points, among others. But this young man is not only a great athlete, but a great leader and role model as well. He is an academic achiever with great heart and a great work ethic who always put the team first.
