

JAMESTOWN RED RAIDERS

2006-07 FEMALE ATHLETE OF THE YEAR

Ashley Dupler

Our female athlete of the year was a dominant force in leading our girls basketball team to it's 2nd straight sectional and league title. She averaged a "double-double" (in points and rebounds) while blocking 5 shots per game. She was a 1st team All-ECIC selection, 2nd team All-Western New York, 5th team All-State, and shared the Post-Journal Player of the Year award with her teammates. She was also a member of the All-WNY Scholar-Athlete basketball team and is a member of the National Honor Society. In addition, she was our starting first baseman for our softball team this spring and led the team in hits, average, doubles, triples, and walks. For her talents, she was awarded a scholarship and headed to Houghton College to continue her basketball career.
