2007-08 MALE ATHLETE OF THE YEAR

Vince Liuzzo

Our male athlete of the year is a tremendous role model for young athletes in our school and community; a scholar and a leader on and off the field, who got everything out of his ability. As a member of our wrestling team, he became only the 12th young man to win 100 career matches and had a 33-4 record this season. He took 1st in the Eisenhower, Patrick J. Morales, Akron, and Section 6 Class 4A tournaments. He was a runner up in the Ken-Ton, ECIC, and Section 6 State Qualifier tournaments. He was also the recipient of the Mike Carney Memorial Award, the JHS Wrestling Boosters Scholarship Award, as well as the JHS Most Outstanding Wrestler Award. This spring as a member of our track team, he scored over 20% of his team's points and is a favorite to qualify for the state meet in the 400 meter dash, 800 meter run, and as part of the 4 x 400 meter relay.
