

No School

I do not have school today.

I will stay home.

School is closed so that I can stay safe.

I am used to going to school. When I stay home, my schedule is different and that is ok.

I might feel sad, anxious, or bored because of the change.

At home, I will play and rest.

I will listen to my family.

I will be back to school soon to see my teachers and friends.
